

My name is \_\_\_\_\_ I live in \_\_\_\_\_

I am \_\_\_\_\_ years old

I started smoking at age \_\_\_\_\_ and smoked  
for \_\_\_\_\_ years

I quit smoking using vapor products and have  
vaped for \_\_\_\_\_ years

I am currently vaping \_\_\_\_\_ flavor

And really enjoy \_\_\_\_\_ best  
(type of flavors, example: "fruits", "desserts", etc)

I vape because \_\_\_\_\_

grandchildren," "save money," etc)

If the FDA, legislators and media continue to vilify  
vaping and restrict my access to flavored vapor

I will \_\_\_\_\_  
(“DIY”, “return to smoking”, “find some way to get it” etc)
